FIG. 8C

90

**FIGURE 8c**

FIG. 9a is a schematic diagram of a cross-sectional view of a device 50. The device 50 includes a substrate 52 and a layer 54. The layer 54 includes a first region 56a, a second region 56b, and a third region 56c. The first region 56a includes a first circular feature 56a. The second region 56b includes a second circular feature 56b. The third region 56c includes a third circular feature 56c. The first circular feature 56a and the second circular feature 56b are separated by a distance 180°.
